

# EARN AND LEARN

*Building Bridges for Students and Employers*

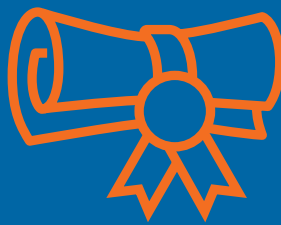

To meet your ever-changing workforce needs, NWTC offers Earn and Learn – programs centered on proactive connections between students from diverse backgrounds and employers.

## **FLEXIBLE HIRE**

*Recruit your future employees while diversifying your workforce.*

Provide students with the opportunity to earn an income and engage in a meaningful work experience while attending college. You may offer full or part time paid positions that fit into students' lives and support their learning and development.

## **TUITION ASSISTANCE**

*Invest in the future of your workforce.*

Grow talent by providing tuition assistance for NWTC academic degrees and certificates. This opportunity increases employee loyalty and reduces turnover.

## **SCHOLARSHIP**

*Support a career path connected to your industry.*

Create a scholarship that helps pay for a student's NWTC tuition. You can set the scholarship's eligibility criteria and select the recipient from the applicant pool.
