

Dental Hygienist Admissions Guide

The Dental Hygienist Degree offers a rewarding career as a dental hygienist - **this is a competitive admission program; full program acceptance is not guaranteed.** Twice per year, in June and December, applicants are eligible to go through the competitive ranking process for Dental Hygienist program admission. To be considered for selection, complete the steps listed on this page. There are several steps in the admissions process; it is important to get started right away. ***Please complete steps 1-9 in the order listed below:**

ITEM	COMPLETED
1. Apply to the Dental Hygienist Program nwtc.edu/Apply	<input type="checkbox"/>
2. Submit Transcripts Send high school and college transcripts (if applicable) to transcripts@nwtc.edu	<input type="checkbox"/>
3. Complete Assessment** (If Applicable) The assessment may be waived if your high school or college GPA is 3.0 or higher; or if you have already taken the ACT or Accuplacer. It is important that all transcripts are sent (for review) to determine if the assessment is needed.**	<input type="checkbox"/>
4. Complete the Dental Hygienist Information Session Log into nwtc.edu/mynwtc and navigate to "Admissions." Select "Orientations" and complete the Dental Hygienist Information Session.	<input type="checkbox"/>
5. Complete Chemistry (NWTC Catalog #10806134) Chemistry is waived if you have completed two semesters of lab based high school chemistry with a C or better or college level lab based chemistry with a C or better.	<input type="checkbox"/>
6. Complete Algebra (NWTC Catalog #10804118) Algebra is waived if you have completed two semesters of high school algebra with a C or better, college math with a C or better, and/or college level general anatomy and physiology with a B or better.	<input type="checkbox"/>
7. Complete General Anatomy and Physiology (NWTC Catalog #10806177) General Anatomy and Physiology is satisfied by completing 4 credit hours of college level General Anatomy and Physiology with a lab component with a grade of B (80%) or higher.	<input type="checkbox"/>
8. Complete the HESI (Composite Score of 80+) **fee associated (approx \$50) Test subjects include reading, math, chemistry, anatomy & physiology. Assessment dates are available in May, August, and November. It is highly recommended to take college level anatomy and physiology prior to attempting the HESI. Please note, a score of 80 (no rounding) is a minimum requirement to qualify for ranking - a higher score will increase opportunity for selection. Visit nwtc.edu/HESI for more information.	<input type="checkbox"/>
9. Complete the Essay *This should be one of your final items completed on your checklist. This is one of the most heavily weighted components of ranking - take your time and answer each question to the best of your ability. Essays must be completed in-person at an NWTC Assessment Center location. Appointments can be scheduled for dates in April-June and October-December. You can schedule your essay by calling an NWTC Assessment Center - visit nwtc.edu/test for more information.	<input type="checkbox"/>
