NORTHEAST WISCONSIN TECHNICAL COLLEGE
FOUNDATION

Proud partner of making college possible!

***Congratulations to all of
the individuals graduating
from NWTC this spring!***

For many grads, achieving their college and career goals might not happen without financial support from the NWTC Educational Foundation. Receiving a scholarship or emergency funding from the Foundation can be crucial for students who are struggling to balance college with work and family responsibilities.

Thanks to the generosity of countless donors, the Foundation has raised approximately \$21 million for students since it was established in 1970. Last year alone, the Foundation awarded over \$800,000 in scholarships to more than 850 students.

You can help NWTC students ***soar higher today!***

Veteran and Service Member Recognition

Since World War I, challenge coins have been used as a way to honor, encourage, and reward individuals for their personal and professional accomplishments. A symbol of strength and commitment, these coins are given to Northeast Wisconsin Technical College graduates who have served or are serving. The College appreciates the service and sacrifices these students provided while serving our country and their dedication to continuing their education. NWTC recognizes these students as an important part of the campus community and therefore awards them a special challenge coin. Graduates wearing the red, white and blue cords are students that are military veterans or are currently serving in the Armed Forces.

Global Designations

Northeast Wisconsin Technical College is committed to expanding the world view and global perspectives of students by providing opportunities to interact with international students and to understand various cultures from around the world. The stoles you see with a flag motif either represent the home country of those international students who have studied at the College or the country students studied in while participating in an NWTC-sponsored study abroad trip or in an international service learning opportunity during their time at NWTC.

Cultural Regalia

Northeast Wisconsin Technical College champions all students to proudly celebrate their identity and cultural heritage. It is NWTC's sincere hope that our graduates are proud of their journey and who they have become since enrolling at our college. In addition, or in lieu of wearing traditional graduation regalia, we encourage graduates to consider including cultural, religious, and/or ceremonial attire appropriate to the significance of the occasion. Examples include, but are not limited to military dress uniforms, cultural beadwork and embroidery, decorated caps representing heritage, and identity-based stoles or cords.

*Phi Theta Kappa
International Honor Society of the
Two-Year College*

Phi Theta Kappa's mission is two-fold: 1) recognize and encourage the academic achievement of two-year college students and 2) provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.

The golden Honors Stole has been worn by Phi Theta Kappa graduates for more than 25 years. The Honors Stole is made of gold satin and finished with a blue Greek letter monogram.

Phi Theta Kappa (3.50 - 4.00 GPA) {gold stole}

Honors Notation

- ** Highest Honors (3.75 - 4.00 GPA) {gold honor cord}
- * Honors (3.50 - 3.74 GPA) {teal honor cord}

Associate degrees, technical diplomas, and certificates requiring more than 15 or more credits are eligible to receive honors notation.
