

Charter Boat Operators Certificate

New

Certificate Number 90-504-5

Description:

This certificate is designed to provide the knowledge and skills needed to apply for a USCG license; which allows individuals to operate a vessel less than 100 net tons in a safe and responsible manner. It will also provide the learner with lessons on navigation, rules of the road, marlinspike, fire fighting, ship's documents, sanitation and pollution, license requirements, vessel requirements, communication systems related to global marine distress and safety systems, and the elements of operating a small vessel radar system.

Requirements for Certificate Entry:

The U.S. Coast Guard requires that you are at least 19 years old, have 360 days on the water, 90 days on the Great Lakes or near coastal in the last three years. It also requires a drug test, satisfactory background check with no drug-related convictions, and acceptable eyesight.

NOTE: For complete information about licensing, please see the following U.S. Coast Guard web site: <http://www.uscg.mil/stcw>.

Certificate Completers Will be Able to:

- Apply for an operator of uninspected passenger vessel license.
- Apply for a license upgrade to 100 ton Master's license.

Curriculum
