## Spring 2008

**Open Registration Begins  
November 28, 2007**

The **Early Childhood: The Registry Preschool Credential Certificate** is designed for individuals working with children ages three to eight. This might include family childcare providers, day care teachers, nursery school teachers, certified providers, or anyone wishing to provide a quality environment and learning activities for children in this critical age group.

**Certificate Completers will be able to:**

- Integrate strategies that support diversity and anti-bias perspective.
- Explore early childhood curriculum models.
- Provide a healthy, safe, and nutritionally sound early childhood environment.
- Incorporate health, safety, and nutrition concepts into the children's curriculum.
- Practice positive guidance strategies.
- Create a guidance philosophy.
- Analyze the development of children age three through age eight.
- Create developmentally appropriate language, literature, and literacy activities.

If you are working in a certified or licensed family child care or licensed group child care setting and are interested in learning more about scholarship options, call TEACH at (800) 783-9322 Ext 7240.
