

HeartSaver First Aid

Catalog Number 42531439

This course teaches basic first aid procedures to three common targets: lay rescuers, childcare workers, and industrial workers. It provides basic knowledge and understanding for scene/situation safety and the care of injuries including: bleeding control, bone, joint, and muscle injuries, burns, and specific injuries to the head. It also addresses sudden illnesses including seizures, diabetic emergencies, poisoning, bites and stings, and heat and cold emergencies.

The fee for this class is currently **\$16.14**. The textbook is required for the class and “**MUST**” be read before the class starts. Cost of the book is approximately **\$10.75** and available at the NWTC bookstore.

The certification is valid for 2 years and expires on the last day of the month in which it was issued regardless of the day of the month the class was completed. This is an American Heart Association course. The course is taught in a minimum of a 4-hour period.

To register for this course please call 800-422-6982 (EXT. 544) or 920-498-5444 with the “Catalog” and “Class” numbers from the left side of the schedule.
