

INSURANCE CONTINUING EDUCATION

Winter/Spring 2012

All insurance agents holding licenses in any of the following lines of insurance—property, casualty, life, accident/health, and auto—must complete 24 continuing education credit (CEU) hours. New licensing expiration dates are in effect. The fee dates and continuing education compliance dates have been combined and now fall at the end of each individual's birth month. Agent compliance dates can be verified by checking the Wisconsin Commissioner of Insurance Web site (www.oci.wi.gov). A 3-hour CE ethics class is a requirement.
