

Pre-Licensing Insurance Education Winter/Spring 2012

As of January 1, 1993, the state of Wisconsin requires all prospective insurance agents for all product lines to attend an approved course of study before taking the insurance exam. The Office of the Commissioner of Insurance requires that all applicants attend 8 hours of Prelicensing Insurance (Ethics & Law) plus 12 hours of education directly related to the product line.

All sections listed on this schedule meet the hour requirements as required by the Office of the Commissioner of Insurance. Northeast Wisconsin Technical College will issue course completion certificates.
