

ASSOCIATE DEGREE NURSING

Marinette Campus | Bridge Part Time (Spring Start)

PRE-ADMISSION

Developmental Psych	English Composition 1	Oral/Interpersonal Communication
Chemistry	*General Anatomy & Physiology	*Advanced Anatomy & Physiology
Nursing Pharmacology		

SEMESTER ONE

16-WEEK SESSION

*10-543-109 Complex Health Alterations 1 (3cr)

*10-806-197 Microbiology (4cr)

FIRST 8-WEEKS (SESSION 1)

10-809-198 Intro to Psychology (3cr)

SECOND 8-WEEKS (SESSION 2)

*10-543-112 Advanced Skills (1cr)

Semester Credits: 11 credits

SEMESTER TWO

16-WEEK SESSION

*10-543-110 Nursing Mental Health (2cr)

*10-543-111 Intermediate Clinical Practice (3cr)

FIRST 8-WEEKS (SESSION 1)

10-809-198 Intro to Sociology (3cr)

SECOND 8-WEEKS (SESSION 2)

Semester Credits: 8 credits

SEMESTER THREE

16-WEEK SESSION

*10-543-113 Complex Health Alterations 2 (3cr)

*10-543-114 Nursing Management (2cr)

FIRST 8-WEEKS (SESSION 1)

*10-543-115 Advanced Clinical Practice (3cr)

SECOND 8-WEEKS (SESSION 2)

*10-543-116 Nursing Transitions (2cr)

Semester Credits: 10 credits

GENERAL EDS

All courses highlighted in blue are general education courses and are offered in a variety of different formats. They could be fully online, web conference, blended, or in-person. These classes are suggested to be completed prior to program start. Most of these courses are also offered at all regional center locations or campuses.

NURSING CORE THEORY CLASSES

The courses highlighted in yellow are offered online or in-person. The in-person classes will be offered during the day. There will not be the option for evening theory classes if taken in person.

CLINICAL COURSES

All courses highlighted in red are clinical courses. Students are asked preference of day or evening, but it is not a guarantee that students will receive their preference. Clinical courses may be six to eight hour shifts and will be two days per week. Students typically need to set time aside the night before or morning of clinical to complete clinical paperwork. Clinicals may start at 6am for a day shift or 2pm for an evening shift.

- *Intermediate Clinical* - Eight weeks of med/surg, four weeks of psych and four weeks off. This clinical will typically be held on Tuesday and Wednesday.
- *Advanced Clinical* – Simulations will occur after the completion of med/surg, and the days/times will be determined by the clinical instructor.
- *Transitions Clinical* – Four week clinical: 90-hour preceptor clinical that is held at a variety of sites. Students are asked what sites they may be interested in completing this clinical. For this clinical, you will complete your hours during the hours your nurse preceptor is assigned. This could be days, evenings, nights, or weekend hours and can be 8-12 hour shifts.

SKILLS COURSES

All courses highlighted in green are in-person. Students are required to practice outside of scheduled class time and are assigned a check-off time. Check-off times are scheduled outside of class and required of all students.

GRADE REQUIREMENTS

No final grade lower than a “B” is acceptable in the nursing or natural science courses marked with an asterisk. A student must repeat the course with “B” or better final grade to continue in or graduate from this program. If the course is sequential, the successful retake must occur before continuing the sequence.
