Many other organizations provide scholarship funding which NWTC students may be eligible to receive. These organizations administer their own scholarship programs with their own applications and deadlines. The information in this document is provided as an additional service to our students. Northeast Wisconsin Technical College nor NWTC Educational Foundation does not imply endorsement or support of any of the linked information, services, or providers. If you have additional questions after reviewing this scholarship information, please email [foundation@nwtc.edu](mailto:foundation@nwtc.edu).

Scholarships are listed by date of deadline. Those scholarships offered multiple times per year or are accepted year-round are listed separately at the end of this list.

*\*Watch for dates added in orange after the scholarship name—this is the date we added that scholarship to the list so you can easily find the newly listed scholarships.*

### **RN to BSN Scholarship Resource**

From start to finish, a BSN student will easily spend four years and tens of thousands of dollars earning their degree and nursing credentials. Even those who begin their BSN programs as fully licensed RNs or college graduates from other fields can expect to commit a major portion of their salaries and time until graduation. Fortunately, very few students shoulder these financial burdens alone. With a little research and planning, you won't have to, either. Check out this site for information on federal student loans, nursing grants, nursing scholarships, and the scholarship database.
