Applying for a NWTC Scholarship

- Go to [www.nwtc.edu](http://www.nwtc.edu)
  - Log into **MY.NWTC** student portal
- Log in with your User ID (student ID) and password (self-created)
- If you DO NOT have a User ID or my.NWTC account, please click on the “Create/Activate My Account” button. Complete the information required to get a User ID instantly. On return visits then log in as noted originally.

- Click on the “Finances” header
• Click on the “Apply for a Scholarship” link under “Scholarships” header

• From here you will be directed to another page where you can start your application by clicking on the button and completing the application.

• DO NOT FORGET TO CLICK SUBMIT AT THE END AFTER REVIEWING YOUR APPLICATION.

Common Question/Trouble shooting issues:

System is making you “log in” again or you are not getting to the scholarship application home page to start the application after logging into my.NWTC

• Program does not work using Safari or Firefox as an internet browser which is the common default for MAC’s, I-Phones and I-Pads. If you login to my.nwtc and it asks you to log in again this means your browser is not compatible. Please change browser to Internet Explorer, Google, or Google Chrome. Do not enter from your IPhone, smart phone or anything using Safari or Firefox as a browser.

• You cannot remember your username and/or password to get into my.NWTC
  o The username and password is unique for logging into my.NWTC and is not a foundation password. There are links and tips on the my.NWTC homepage for this.

Please feel free to email or call with any questions:
