POSITION SUMMARY

Northeast Wisconsin Technical College is an innovative leading-edge college dedicated to student success. An instructor's primary purpose is to design instruction and assessment in an engaging environment to foster learner success. An instructor continually improves the overall quality in the delivery of learning to support the achievement of college outcomes and priorities utilizing evidence to support decision-making. Instructors work in alignment with the college's mission, vision, core values, and operating principles. Instructors are expected to provide service to the college community exemplified by teamwork, committee involvement, and participation in shared leadership activities. In addition, instructors commit to ongoing professional growth in both instructional and technical areas, as well as the development of their colleagues and teams.

It is our commitment as a College to ensure that we invest the resources necessary to positively impact teaching and student success. Consistent with this commitment all new faculty are required to successfully complete the Northeast Wisconsin Technical College Instructor Preparation Academy. The Academy is a structured, practical, course-based cohort learning experience during first three years of employment. Courses include teaching and learning strategies, guidance and counseling, curriculum development, assessment, diversity, and more. The details of the schedule will be made available upon hire.
