

Nursing Assistant Packet (Under Age 18)

If you will be under the age of 18 when the Nursing Assistant class begins, complete this packet.

Nursing Assistant applicants are required to provide documentation of immunizations and vaccinations prior to enrolling in the Nursing Assistant class. NWTC has partnered with CastleBranch, an online background check and compliance management company. CastleBranch provides you a secure account to upload and save your time sensitive school and clinical requirements.

ITEM/FORM

COMPLETED

Apply online to the Nursing Assistant Program
www.nwtc.edu/apply

Schedule TB testing (See included TB Testing Form)

Email cbc@nwtc.edu

Send an email to cbc@nwtc.edu with the following: "I am a potential Nursing Assistant student, my name is ____, my NWTC student ID is __ and my date of birth is ____".

Complete the Nursing Technical Standards Form –once completed this will be scanned and uploaded to Castlebranch.

Create a Castlebranch Account - Complete Online!!

- Visit www.castlebranch.com and enter package code: **NF14im**
- There is a **\$15 fee** that is paid when the account is created.
- You will scan and upload the completed Technical Standards form, TB Results Form and a copy of Immunizations records. Make sure to use your NWTC ID when setting up this account.

Immunizations – You will need to obtain a copy of your Hepatitis B immunizations.
There are two common ways to obtain them:

1. Wisconsin Immunization Registry
<https://www.dhs.wisconsin.gov/immunization/wir.htm> to obtain a copy of your immunization record (WI residents only)
2. Contact your primary caregiver (or log on to their website)
3. Complete attached Hepatitis B Form

Once you have a printed or digital copy, scan it to your device and upload to Castlebranch.

Enroll in the Nursing Assistant Course – When all above items are completed and your application checklist www.nwtc.edu/mynwtc shows completed you can enroll:

1. Go to www.nwtc.edu/mynwtc
2. Click on "Class Search"
3. Type in Catalog Number: 30543300

Purchase Supplies and Uniforms Needed

Review the "What to Expect in Your Nursing Assistant Course"

TUBERCULIN SKIN (TB) TESTING INSTRUCTIONS

What is TB Skin Testing:

- TB Skin Testing is done to screen and monitor for Tuberculosis. It is required for all Nursing Assistant students to be eligible for attending clinical.
- If you have never had a TB Skin Test, you will need to complete the 2-step process.
 - This consists of 2 complete TB skin tests. Each TB skin test requires 2 appointments.
- If you already have TB Skin testing each year.
 - If you have TB skin testing results for the past 2 consecutive years. This will be accepted with written results of the last 2 years.

What to Expect:

This process takes a minimum of 2 weeks to complete.

- The TB test is a two-step process (two tests).
- You will visit the medical provider a total of 4 times.
 - The first appointment is when you receive your first TB test.
 - The second appointment (48 hours later) the TB results are read.
 - A min. of 7 days after your first appointment you will return for a 2nd TB test.
 - A fourth appointment (48 hours later) is required for the results of the 2nd TB test.

Where to send results:

- BEST METHOD: Use a scanner to scan the results and save as a PDF. Upload the PDF to your www.Castlebranch.com account. DO NOT EMAIL to CastleBranch.
- Fax: Results can be faxed to CastleBranch. You will need to include the fax cover sheet from your CastleBranch account in order to identify the correct account for uploading.
- Photo: At times students take pictures to upload. This is not always the best as photos can be blurry and easily rejected.

Alternate options:

- QuantiFERON Gold Blood Test or T-Spot Test annually.
- If TB Skin Test is positive, a negative QuantiFERON Gold Blood Test or T-Spot Test is required.
- If the results of the QuantiFERON Gold Blood Test or T-Spot Test are positive, a clear Chest X-Ray PLUS TB Questionnaire is required.

TB Test Locations:

- Your health care provider
- Your school Nurse Practitioner

- *Bellin Occupational Health Solutions* offers reduced prices.
Bellin Occupational Health can provide your physical examination within 48 hours.
Call 920-430-4560 to find the provider closest to you and schedule an appointment.
NOTE: Bellin will not accept insurance for these services.
TB Skin Test is \$16 each (two total required).

- *N.E.W. Clinic at NWTC* located in Room HS211.
Call 920-498-5436 to make an appointment.
Appointments are available on Mondays and Tuesdays only.
Cost is \$5 per test. (two total required)

- Your County Public Health Division
 - Brown County: 920-448-6400
 - Marinette County: 715-732-7670
 - Door County: 920-746-2234
 - Shawano County: 715-526-2822
 - Kewaunee County: 920-388-7160
 - Oconto County: 920-834-7000

Castlebranch Contact: 888-723-4263 or servicedesk.cu@castlebranch.com

Students enrolled in NWTC Nursing programs should be able to meet the established technical standards identified below with or without reasonable accommodation(s). The technical standards for the Nursing programs are representative of those found in the Nursing profession.

NAME _____ STUDENT ID# _____

| Area | Functions (not inclusive) with or without reasonable accommodations |
|---------------------------------|--|
| Physical Skills | <ul style="list-style-type: none"> • Bend, stretch, twist, reach with your body above shoulders, below waist, and in front • Transfer and position patients applying principles of safe body mechanics • Provide direct patient daily cares (feeding, bathing, etc.) • Manipulate, assemble, and move equipment • Document patient condition • Maintain physical activity for several hours |
| Sensory Skills | <ul style="list-style-type: none"> • Detect differences in body and environmental odors • Understand and respond to patient requests and needs • Detect environmental hazards • Detect warning signals on equipment displays • Detect subtle changes or differences (e.g. pulse, rash, temperature) |
| Communication Skills | <ul style="list-style-type: none"> • Speak, read, and write English • Listen and comprehend spoken and written English • Collaborate with others • Respond to others in an accepting and respectful manner |
| Critical Thinking Skills | <ul style="list-style-type: none"> • Apply knowledge and skills learned in the classroom to a clinical setting • Comprehend and follow instructions • Follow processes from start to finish; sequence information • Adapt decisions based on new information • Maintain focus in an environment with distractions • Making safe judgements |
| Professionalism | <ul style="list-style-type: none"> • Establish a professional working relationship with the health care team, peers, instructors, patients, and families • Demonstrate positive interpersonal skills • Demonstrate impulse control and professional level of maturity • Maintain appropriate boundaries in relationships with patients and peers • Handle demanding and stressful situations • Maintain confidential health care information (including by refraining from posting any confidential patient information on social media) |
| Safety | <ul style="list-style-type: none"> • Wear personal protective equipment for safe practices (gloves, masks, eyewear, gown) • Tolerate heat and humidity • Work in an environment that may contain common allergens • Adhere to safety/emergency protocols • Recognize and respond to hazardous conditions • Maintain health care requirements • Carefully handle supplies and equipment throughout the course |

_____ I have read the Technical Standards specific to a student in the Nursing programs.

(Initials of student and parent or guardian if student under 18.)

The Americans with Disabilities Act of 1990 (42 U.S.C. § 12101, et. Seq.) and Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) prohibits discrimination of persons because of her or his disability. In keeping with these laws, colleges of the Wisconsin Technical College System make every effort to insure a quality education for students. The purpose of completing the Nursing Technical Standards is to ensure that students acknowledge that they have been provided information on the technical standards required of a student in the Nursing programs. And to assure all students can meet the technical standards requirements of this program.

_____ I understand I must contact the NWTC Disability Services office for information concerning accommodations or special services and/or career evaluation.

(Initials of student and parent or guardian if student under 18.)

Services for learners with disabilities at all campuses are coordinated through the Disability Services office on the Green Bay campus. To obtain information concerning accommodations or special services, call (920) 498-6904 or (800) 442-NWTC, extension 6904 or email to disability.services@nwtc.edu. Counselors/Advisors at the Sturgeon Bay or Marinette campuses and staff at the Regional Learning Centers can also arrange services at the Green Bay office. *NWTC reserves the right to request additional information which may include a medical examination.* For more information related to the reasonable accommodation process, please visit: <https://www.nwtc.edu/student-experience/disability-services>.

Student/Parent or Guardian initials and signature confirms the student has read and understands the *Technical Standards* specific to a student in the Nursing programs and how to access the Disability Services office in the event accommodations are needed at this time.

| Nursing Assistant Textbook & Workbook | \$65 |
| Name Badge | \$5 |
| Miscellaneous Items (scrubs, shoes, watch, ect.) | \$65 |
| Competency Testing (to become Certified) | \$125 |
| Total Approximate Costs | \$838 (does not include sales tax) |

WHAT TO EXPECT IN YOUR NURSING ASSISTANT CLASS

- Nursing Assistant classes meet 2 or 3 days a week.
- Classes are offered during the day, the evening and on weekends.
- Class sessions may be 4,5,6 or 8 hours.
- Most clinical sessions are 8 hours.
 - Day clinicals are 6am – 2:30pm
 - Evening clinicals are 1-9:30pm
- The Nursing Assistant program is regulated and monitored by the Wisconsin Department of Health Services. Every student is **REQUIRED** to complete 52 hours of classroom time and 48 hours of clinical time.
 - It is **CRITICAL** that you attend **EVERY** session of the class you select. It is very difficult to make up missed time.
- Clinical is held in a local Nursing Home – you will actually provide personal care to Nursing Home Residents.
- There is a LOT of reading required. You will read almost the entire textbook in approximately 3 weeks.
- You will have homework after every class session.
- You will take quizzes and exams on a computer.
- There are four quizzes and four lab session exams and a final exam.
- You must have an average score of 80% to be eligible to attend clinical.
- You must pass both the classroom and clinical portion of the program to pass the program.
- You will be expected to demonstrate skills while being graded by an instructor.
- The Nursing Assistant program is not eligible for Financial Aid. If you are in need of financial assistance, please work with your local job center or Career Services.
- You are required to provide proof of current TB skin testing to be eligible to attend clinical.
- If you have a criminal record including things like theft, forgery or disorderly conduct of domestic violence nature, you may not be eligible for clinical thus not able to complete the program. Each clinical site accepts or denies students based on their criminal history. Repeated convictions and recent convictions also may prevent you from being eligible for clinical.
- Professional behavior is expected at all times in the classroom and clinical.
- Excessive piercings are not allowed and you will be asked to remove earrings.
- Tattoos must be covered during clinical.

Please feel free to contact Carolyn DeBaker, administrative assistant, with further questions.

**HEPATITIS B
DOCUMENTATION FORM**

Name _____ Program _____
(please print)

COMPLETE THE SECTION WHICH PERTAINS TO YOU

I have already received the Hepatitis B vaccination. (Documentation required)

Dates: #1 _____ #2 _____ #3 _____ Titer _____
(attach results if already done)

Signature of Agent/Agency providing: _____

Date: _____

HEPATITIS B VACCINATION DECLINATION

I understand that due to my occupational exposure to blood or other potentially infectious materials, I may be at risk of acquiring the Hepatitis B Virus (HBV) infection. I have been given the opportunity to be vaccinated with the Hepatitis B vaccine, at my expense. However, I decline the Hepatitis B vaccination at this time. I understand that by declining the Hepatitis B vaccine I continue to be at risk of acquiring Hepatitis B as a serious disease. If, in the future I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with the Hepatitis B vaccine, I can receive the vaccination series at that time.
