NWTC Green Bay Commons

Sponsorship Guide

Sponsorship Levels & Benefits

NWTC's STEM Fair will host approximately 2,300 6th grade students from school districts in the area. This is an opportunity for your organization to support STEM education to today's youth. Our goal is to develop interest and talent related to STEM careers.

As an event sponsor & exhibitor, you will strengthen your presence in the community, increase your marketing and brand recognition efforts and influence the future workforce!
