2019-20 Discharged Loan/Disability Statement

We have completed the initial review of your 2019-20 Free Application for Federal Student Aid (FAFSA). Through a database match, the U.S. Department of Education has identified that you had one or more loans discharged because of a total and permanent disability.

For federal financial aid purposes, the phrase "substantial gainful activity" means a level of work performed for pay that involves doing significant physical or mental activities or a combination of both. Before we can determine if you are eligible for another student loan, please complete the applicable section of the form, attach the appropriate documentation, and return it to the Financial Aid Office. If you have any questions, contact your Financial Aid Advisor.
