2019-20 Overpayment Clearance Worksheet

We have completed the initial review of your 2019-20 Free Application for Federal Student Aid (FAFSA). According to our records, you received at least one grant overpayment.

The U.S. Department of Education has indicated that you received at least one overpayment of a Federal Pell Grant, a Federal Supplemental Educational Opportunity Grant (FSEOG), Academic Competitiveness Grant (ACG), SMART Grant, Teach Grant or Iraq/Afghanistan Service Grant. You are required by law to repay any funds you received from these programs to which you were not entitled. You are **not** eligible to receive any federal financial aid until this matter has been resolved.

- Please contact the Department of Education at 1-800-621-3115, for options to resolve your overpayment. For information on what is owed, you may visit the National Student Loans Data System (NSLDS) website at <http://www.nsls.ed.gov>. Your Federal FSA ID and password is required to access this website.
- When you have resolved the overpayment, please have the Department of Education send you a letter indicating your account has been resolved. This letter must clearly state that your overpayment situation has been cleared and that you are again eligible for Title IV federal financial aid.
- If a payment arrangement is made with the Department of Education, please have them send you a letter stating that a satisfactory payment arrangement has been made. This letter must clearly state that you are again eligible for Title IV federal financial aid.
