2020-21 Parents' Social Security Number and Date of Birth Verification

We have completed the initial review of your 2020-21 Free Application for Federal Student Aid (FAFSA). Information that we received from the U.S. Department of Education indicates that the parental social security number(s) and/or date of birth(s) reported on your FAFSA could not be confirmed. We must verify certain information before you are awarded financial aid and before your Federal Stafford Loan can be processed.

You must submit documentation that the social security numbers and birth dates you are reporting on your FAFSA are assigned to your parents.
