Nursing Clinical Transition:
This clinical is a bit different from the rest, as it is a 90 hour precepted clinical. Students work the hours the Nurse Preceptor works and may finish the clinical at different times.

All courses highlighted in blue are general education courses and are offered in a variety of different formats. They could be online, blended, accelerated, correspondence or in person. These classes are suggested to be completed prior to program start. Most of these courses are also offered at all regional center locations or campuses.

All courses highlighted in yellow are either offered online or in person.

All courses highlighted in purple are your clinical courses. Students typically need to set time aside the night or morning before to complete clinical paperwork. Advanced Clinical is the only 8 hour/2 day per week clinical. All other clinical courses are 6 hour/2 day per week. You do not have a clinical in, semester one, two and semester four.

All courses highlighted in green are your Skills courses. These are only available in person. Please note for Skills classes, students need to set aside time to practice and check-off on their skill with an instructor in the lab.

**ALL DATES AND TIMES ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

**IMPORTANT FINANCIAL AID NOTICE:**
Students who complete all general education courses prior to starting the ADN Part-time program will have difficulties with financial aid eligibility. Financial aid requires that students enroll in at least 6 credits. If you have completed or will complete all general education courses prior to starting, please make sure to meet with your advisor to discuss your options.

**CURRICULUM NOTES:**

* No final grade lower than a ‘B’ is acceptable in the nursing or natural science courses marked with an asterisk. A student must repeat the particular course with "B" or better final grade to continue in or graduate from this program. If the course is sequential, the successful retake must occur before continuing the sequence.

Note:
General A&P: Completed with a ’B’ or better (If completed in the spring 2009 or prior, a ’C’ or better is acceptable)
Advanced A&P: Completed with a ’B’ or better (If completed in the spring 2009 or prior, a ’C’ or better is acceptable)
Microbiology: Completed with a ’B’ or better (If completed in the summer 2012 or prior, a ’C’ or better is acceptable)
Biochemistry: Completed with a ’B’ or better (If completed in the summer 2012 or prior, a ’C’ or better is acceptable.)

** Must complete: 10-543-115, Advanced Clinical Practice, with a "B" or better prior to the start of 10-543-116, Clinical Transition
