

Natural Reader – Online Reader

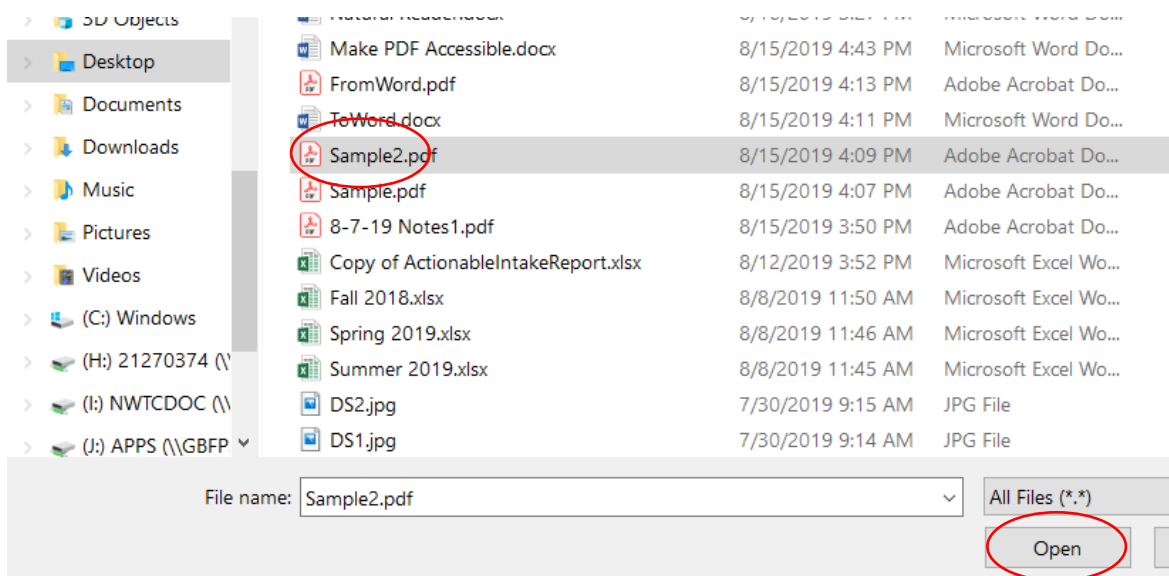

1. Go to naturalreaders.com
2. Click Online Reader

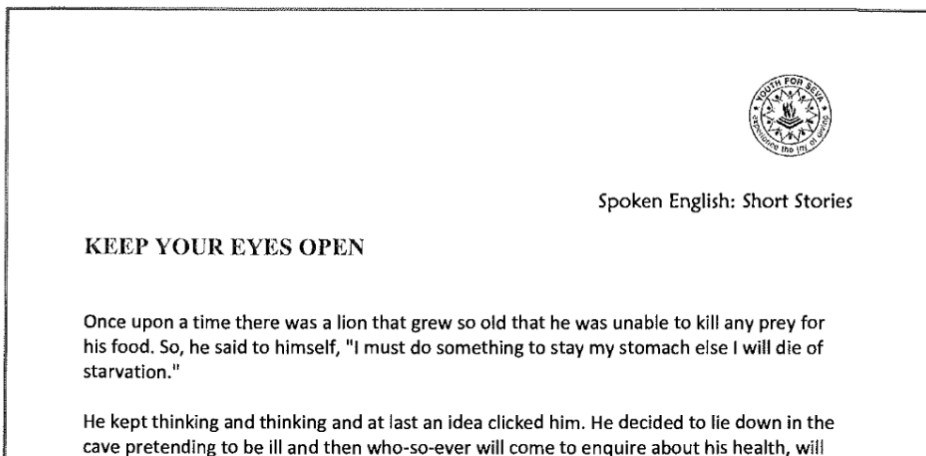

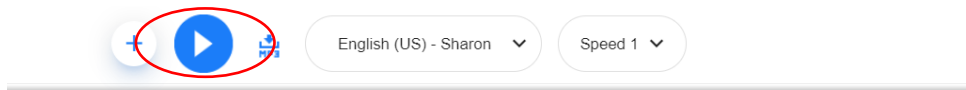

3. Click the plus sign to upload the file

4. Navigate to the file, select the file, and click Open (or double click on the file to open). It might take longer to load larger files

5. Click the play button or anywhere on the document to start reading

6. Can pause, stop, skip, change the voice, and/or adjust speed. Note: cannot convert to MP3 on the free version

7. Will continue to read until finished or interrupted
