### Minutes of the January 16th 2012 Meeting

The meeting was called to order at 2:30 p.m.

Roll Call was taken

Minutes from December 5th were approved as written motion by Horticulture and seconded by Respiratory Care 2<sup>nd</sup> year.

#### **Note to Senators**

- Welcome back to all students and faculty. Maria recapped about the purpose of Student Senate. Reminder about importance to bring all information learned at the meetings back to your clubs and organizations.

#### **Unfinished Business/Follow Ups**

- Tim McNulty delivered information from the Department of Transportation about construction to come to the Mason Exit on Highway 41 from February 1<sup>st</sup> until August 1<sup>st</sup>. Mason Street will be closed at this time so be prepared to reroute and anticipate leaving earlier than usual due to side streets begin busier than usual. An e-mail will be sent out regarding this and there are flyers located at the Welcome Desk, Student Life, and Security Office.
- Also, remember to sign-up for RAVE online to get emergency text messages sent to your cell phones to stay informed by NWTC security. Go to the NWTC home page and search for NWTC Alert or RAVE to sign-up.

#### **New business**

- Workshops are available to be requested for classes with instructor approval. Some types of workshops include those about Academic Concerns, Career Support, and Cultural Awareness. These workshops are highly recommended. Brochures with further information along with scheduled times and contact information are now available.
- Erika Bradley spoke about the new list of service opportunities that are now available. The list has opportunities within the next couple of weeks to a few months out.
- Congratulations to Rick Kramer, Student Senate's new Vice President! Shane will definitely be missed although we are excited that Jamie has stepped up to the role as President. Good luck Shane on your new position!
- Changes to organization funding have been made. Historically, club members were able to come to Student Life before an event to obtain a cash box for club fundraisers. Now, a form must be filled out one week in advance and submitted to Student Finance. There is a \$100 dollar limit for the cash boxes and the club Treasurer and/or Advisor must be present to collect and return the box. Forms are found on our NWTC web page by searching for Student Organization Forms > Check Request Form.
- Applications for a new District Ambassador are being accepted at this time. Along with the online application a request for a resume and a nomination form by a faculty or staff member is also needed. The position handles campus functions along with state wide functions. To find the application page search for District Ambassador on our school web page.

#### **Announcements from Executive Board**

- A big thank you goes out to all the students and faculty of NWTC that volunteered at the Cerebral Palsy building. All the murals painted turned out amazing and the clients and family members are very thankful for the people that came out and rocked it, nice job everybody who donated their time and artistic talent!
- The Spring Events Sign-Up has all been filled.
- There has been a bus route change. The stop that used to be made in front of the Welcome Center has changed. The current stop is at the BI entrance and in front of the Health Science entrance.

#### **Organization announcements**

- Phi Theta Kappa Update from Port Lor has been tabled.
