Unfinished Business/Follow Ups

- **Campus Security:** Tim reported on the college's published crime report. Tim clarified that the sexual assault incident from the crime report involved high school students visiting campus. Since it happened on campus a report had to be filed.

New Business

- **National Student Day** – Susan Krull and Juan Salazar came and spoke about this event that would be held in the bookstore on October 4, 2012 at 10:00 a.m. to 2:00 p.m. There would be all sorts of fun events going on like sumo wrestling. A balloon drop would be happening at noon and each balloon would consist of prizes.
- **Make a Difference Day** – Aging and Disability Center, which is a great opportunity where “neighbors help neighbors.” It is an event that goes is a week-long starting on October 8, 2012. There are sign-up forms in Student Involvement if interested. -
- **Mobile Access** – John Knopp and Ray Lopez came to discuss the possibility of developing a mobile app. If NWTC were to develop a mobile app, what kinds of things would students like access to? Student reps provided much feedback, and Ray Lopez touched on the e-mail system migrating to Gmail in the Winter/Spring Semester. Orange surveys were handed out and students were asked to get feedback from clubs and classes. Bring all feedback and survey results to Student Involvement.
- **Student Intranet-** Jonathan Hartford came to talk about possibly developing a “student intranet.” Aside from blackboard this “student intranet” would give many students and clubs the ability to do online web conferencing, blogging, allow for further communication and reach out to other students in various programs. He was looking for student feedback and suggestions. For further information contact the Student Involvement office or Student Senate.
- **Presidential Service Award-** Lacy Freward came to talk about this award, which is external from the college. It entails 100 hours of community service per year. You would receive:
 - A pin
 - A certificate
 - Track Hours on Website
 - It's on an individual basis and not a group.
- **Internship Program/Career Services-** Nicole Robinson came in to speak about making sure to get registered for the TechConnect services. They are currently offering incentives for “new” students, which is a drawing for a Kindle Fire.
- **Nominations/Elections-** We had 2 more nominations aside from last week. The nominations were for Vice President, Lt Governor, and Secretary. We then held elections and the following were elected into office:
