Unfinished Business/Follow Ups

- Campus Security- Tim McNulty- Tim reported that the parking is starting to get a little better however the busiest the Campus gets is between noon and 3pm. There is an overflow lot available in the Oneida Nation Human Resource lot which is located on the Campus side of West Mason. Tim also mentioned that in parking lots AA and G there have been vehicles parking on the lawn. Tim asks for students to not park on the lawns or the city of Green Bay will issue tickets. In regards to the fire alarm that went off on Friday October 18th there was a fire and unfortunately when a student got up to leave the area they left their laptop and when they came back it was gone. Tim stresses to take any valuables with you and to lock them up to prevent thefts.
