If you have any “quick links” to other resourceful websites for your members we can include those on the right side of your club page.

Facebook: Please let us know if you have a club Facebook by including the link on this form. We can then include your link on your club web page.

If you are going to set up Facebook please come to Student Involvement or get the form and instructions here. **The most important thing is to set it up as a Facebook Group and not a Facebook Page.**

Invite both NWTC Student Involvement (<https://www.facebook.com/nwtc.involvement>) and the Main NWTC Facebook to join (<https://www.facebook.com/NWTC.edu/>) your group.
