10-809-196 Intro to Sociology (3cr)	
Semester Credits: 13 credits	

## GENERAL EDS

All courses highlighted in **blue** are general education courses and are offered in a variety of different formats. They could be fully online, web conference, blended, or in-person. These classes are suggested to be completed prior to program start. Most of these courses are also offered at all regional center locations or campuses.

## NURSING CORE THEORY CLASSES

The courses highlighted in **yellow** are offered online or in-person. The in person classes will be offered during the day. There will not be the option for evening theory classes if taken in person. Semester one and two nursing courses will be offered in person at the NWTC Center located in ThedaCare in Shawano. Semester two and three courses are only available in Green Bay.

## SKILLS COURSES

All courses highlighted in **green** are in-person. Students are required to practice outside of scheduled class time and are assigned a check-off time. Check-off times are scheduled outside of class and required of all students.

Semester One - morning section available only and will be one day per week, offered in Shawano.

Semester Three - multiple sections available and will be one day per week, offered in Green Bay only.

## CLINICAL COURSES

All courses highlighted in **red** are clinical courses. Students are asked preference of day or evening, but it is not a guarantee that students will receive their preference. Day shift is most common at the Shawano site. Clinical courses may be six-to-eight-hour shifts and will be two days per week. Students typically need to set time aside the night before or morning of clinical to complete clinical paperwork.

Semester One – Med/Surg: This clinical will be eight weeks and held on Tuesday and Wednesday. Clinical will be in the Shawano area.

Semester Two - OB, Community, and Med/Surg; There will be a clinical each eight-week session and held on Tuesday and Wednesday. Clinical will be in the Shawano area.

Semester Three - Eight weeks of med/surg, four weeks of psych and four weeks off. This clinical will be held on Tuesday and Wednesday. Clinical may be day or evening. Clinical will be in the Green Bay area.

Semester Four - Eight weeks of med/surg, four weeks of simulations: All students go to med/surg the first eight weeks of the semester, and it will be held on Thursday and Friday. Clinical may be day or evening. Simulations will occur after completion of med/surg during the second eight weeks of the semester. Transitions is a 90-hour precepted clinical that will be completed over four weeks and will not overlap with simulations or med/surg clinical rotations. Students will work the hours of the nurse preceptor. Clinicals will be in the Green Bay area.

Note: Clinical experiences may vary based on site and space availability. Students will be notified in advance of changes.

## GRADE REQUIREMENTS

No final grade lower than a “B” is acceptable in the nursing or natural science courses marked with an asterisk. A student must repeat the course with “B” or better final grade to continue in or graduate from this program. If the course is sequential, the successful retake must occur before continuing the sequence.
