Cutting the Cord: Cable TV Alternatives	Mon, Sept 19	1-3pm	\$15	
Are you ready to leave traditional cable behind and try out the new world of streaming services? Or maybe you just want to learn more about adding new entertainment options to your current cable plan? We'll discuss variations on streaming systems – what they offer, how they differ, what to expect from them, and how to ensure that our home network can handle cable alternatives and delivers the best quality when watching streaming content. If you want to know more about how to gain access to local news and live sports, or how to incorporate Netflix, Hulu, Roku, Amazon Prime, and even more streaming options, this class is for you. Presented by Ryan Schaut, Schaut Technologies.
