OUTSIDE GLAZE REQUIRES A TRIVET*

MEMBERS ARE RESPONSIBLE FOR PROVIDING THEIR OWN TRIVET
(a thin, flat, slab/disc that is placed under ware during glaze firing.)

- Trivets should be at least a 1/2" wider then the base of the ware.
- **BISQUE FIRE trivet** before using under glaze ware.

*PRODUCTION POTTERS who use an outside glaze consistently can speak with the Ceramic Studio Coordinator Approval is not guaranteed.

ADDITIONAL UNDERGLAZES!

We're using up underglaze from past programs. Once they are depleted, they will not be replaced.

The underglazes are located on the top of the shelving unit in the classroom side studio.

HELP KEEP OUR STUDIO CLEAN

- Before returning equipment, clean it with water and a sponge.
- Wipe off any glaze on the outside of glaze buckets.
- **DON'T PUT TOOLS OR TRASH IN OUR RECLAIM BUCKETS**
 - Pour excess water into sink and check bucket for tools before pouring clay into the reclaim buckets!
