ADMISSION REQUIREMENTS

☐ Submit: NWTC Application – apply online!
  ✓ $30 application fee (one-time, lifetime, non-refundable fee)
☐ Submit: High School Transcript
☐ Submit: College Transcript (if applicable)

To be admitted to this program, learners must achieve a prior cumulative high school or college grade point average of 2.6 or higher OR a satisfactory academic skills assessment score. (College grade point average must be based on 15 credits or more.)

  ✓ Acceptable Academic Skills Assessments (taken within the last 5 years) are Accuplacer, ACT, TABE, and COMPASS.
  ✓ Completed college courses may also satisfy program acceptance requirements/assessments.
  ✓ Admission scores may vary per application year.

We are dedicated to working closely with every student to create a customized pathway based on needs and educational goals.

NEXT STEPS

Explore ways to finance your education. At NWTC we provide the most affordable higher education option for students. That affordability combined with hands-on learning and an outstanding record of student success, makes NWTC the best value in higher education. Paying for college can be a confusing and complex process. NWTC provides all of the following resources to make sure finances aren’t an obstacle standing between students and their future success.

Learn more online at www.nwtc.edu/payingforcollege

1. Apply for financial aid by going to www.fafsa.gov
2. View scholarship opportunities online at www.nwtc.edu/scholarships
3. Explore other ways to save money with credit for prior learning, military benefits, etc.

Monitor your NWTC student email account regularly for updates. Communications regarding acceptance, financial aid, and next steps are sent to the student’s NWTC email account. You can access your email by going to www.nwtc.edu/students.

PROGRAM NOTES

✓ NWTC offers Manufacturing Operations Management at the following campuses:
  o Green Bay
  o Marinette
✓ Program is available both part-time and full-time
✓ Many of the general courses and the core program courses are offered in both in-person and online formats.
  Note: there are some core courses that must be taken in-person.

Manufacturing Operations Management is a unique associate degree program designed by local industry to meet the needs of the workplace through a combination of supply chain, automation, quality, lean leadership, and supervisory skills. Graduates of this program are prepared to provide leadership in manufacturing industries.
